OUR ATOMIC PLANT

FOREWORD

Depicted as an Atomic Energy Plant, one of our country's sources of future energy, Nazareth Area Senior High School is answering our country's call in helping to produce tomorrow's scientists, engineers, doctors, lawyers, teachers, and good citizens.

For high school students throughout the land our Atomic Age holds a challenge — atomic powered spaceships, life expectancies of 140, and WORLD PEACE — all are awaiting the explorations of today's youth.

Whether it be the Wilson football game, the Junior-Senior Prom, or a day in English or chemistry class — all these have contributed to our development and education.

His deep personal concern for the continuing improvement of the entire educational program is reflected in the manner in which he gives something of himself as well as his time to the many details of his office.

CURRICULUM

In our Atomic Plant the curriculum becomes the means through which the Production Staff develops and releases the potential energy from the Raw Material. This starts a chain reaction by means of which the student learns to think out and to expand his own ideas.

Social Science Department

Because 1956 was a presidential election year, the Social Science Department sponsored Democratic and Republican campaign rallies as assembly programs. Speeches, band music, skits, and parades were featured during each political rally.

In planning and carrying out these rallies, students became acquainted with the campaign issues

Speaking for the Republican party, Arthur Miller arouses the student body.

Representing the Democratic presidential nominee, Labert Altemose gains support for his party.

During the Democratic rally, social studies students put on a skit.

Sponsors Mock Election

A banner parade stimulates student political interest during assembly.

and learned good election citizenship. Representing the Republican Presidential candidate was Arthur Miller; vice presidential candidate, James Finkbeiner; and the Party Chairman, Benedict Guiffre.

Representing the Democratic Candidates were Labert Altemose, President; Donald Phillips, vice President; and William Clewell, Party Chairman.

As part of the campaign, Democratic and Republican floats were entered in the Nazareth Halloween Parade on October 30.

A mock election, in which the students and faculty voted for their favorite candidates, was held on October 30, with President Eisenhower winning by a substantial vote.

As part of the Halloween Parade, students campaign aboard the Republican float.

Languages Help Students

At the present time Nazareth Area Senior High School has four courses of study — College Preparatory, Secretarial, General Business, and Practical Arts.

For a diploma twelve units of work plus one and one-fifth units in Physical Education and Hygiene are required.

The College Preparatory course meets the prerequisites of Liberal Arts colleges.

1. To make *The Merchant of Venice* more realistic, Mr. Harding and his students act out the court room scene.

2. Junior English students work industriously on a verbal test.

Working with a senior English class, Miss Sloot and Miss Bordner assist students in finding material in library reference books.

Interpret and Understand Life

The Secretarial course provides the necessary preparation for the many stenographic and office positions available.

The General Business course provides commercial training in preparation for work in retailing, selling, and related fields.

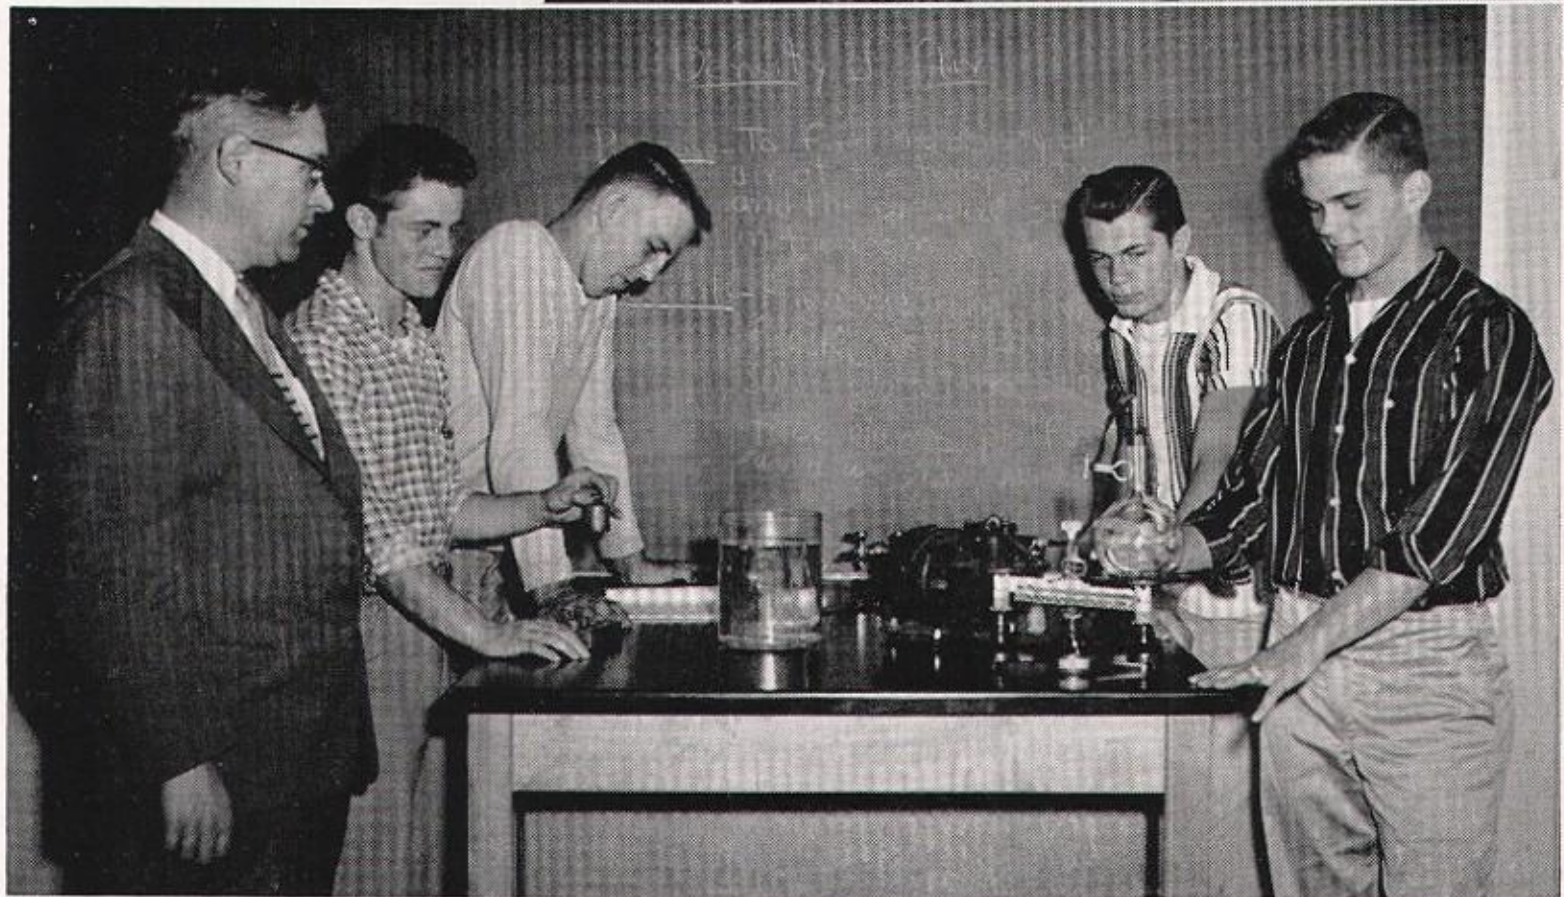

4. For the Latin II class Nancy Trach traces the derivatives of the verb *video* on her derivative tree.
5. Beginning German students practice the correct pronunciation of the unlauted vowel in *Sprichwörter*

Atomic Production Crew

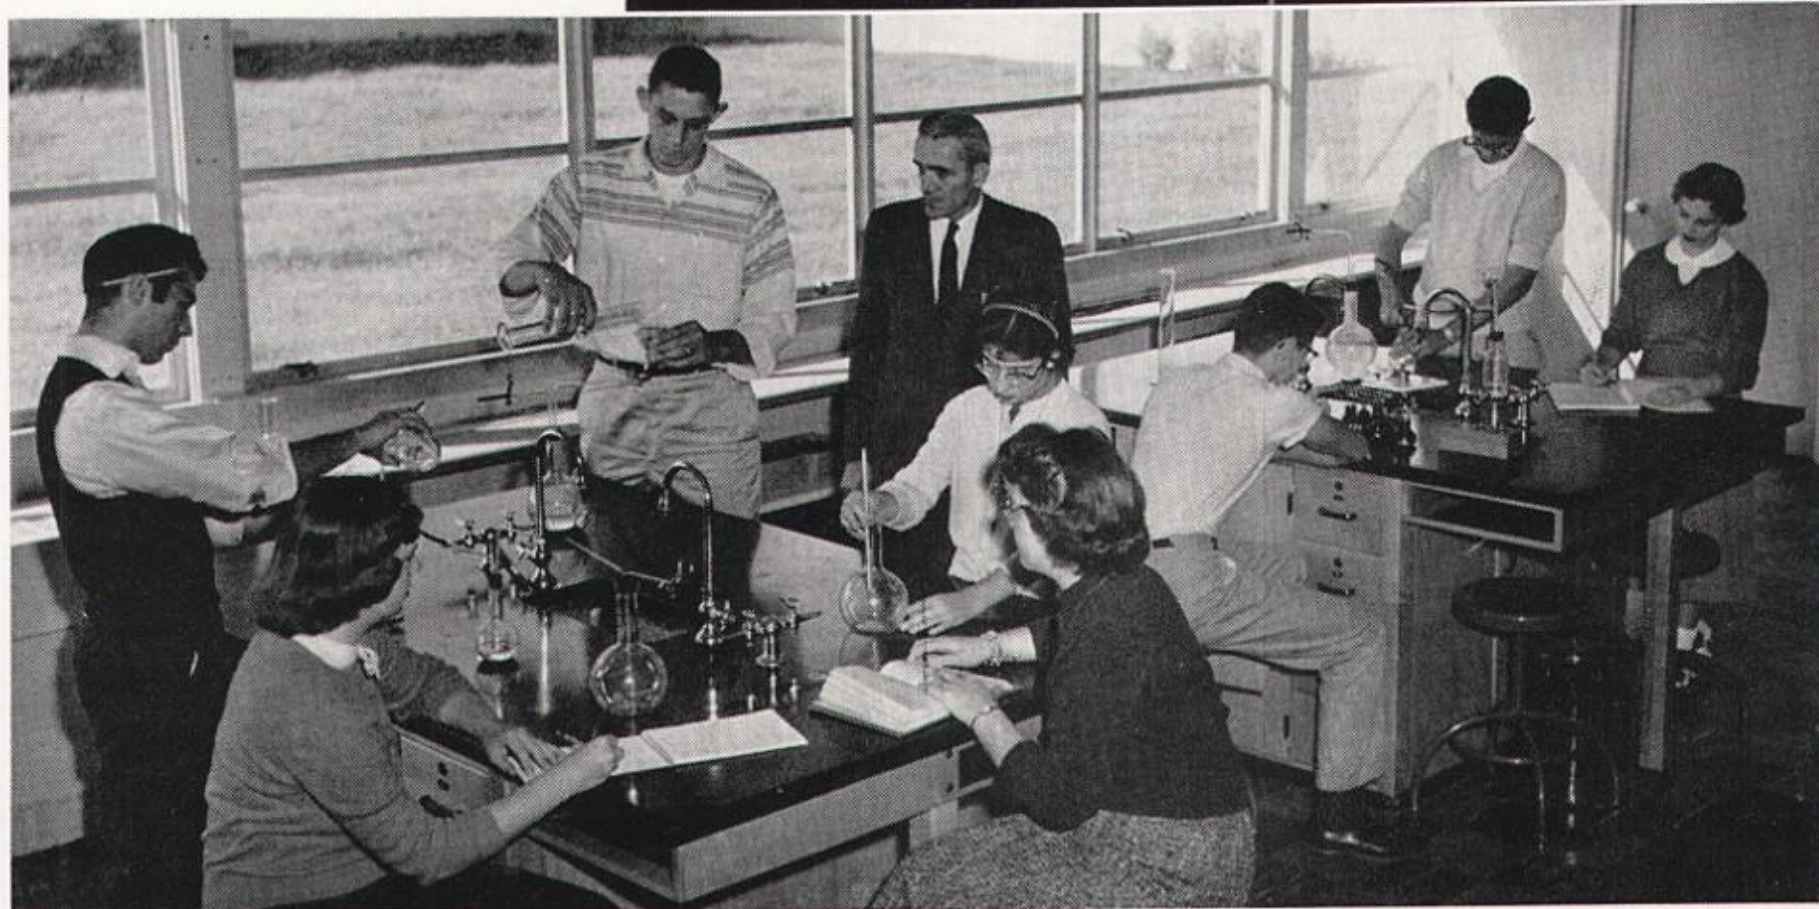

1. As the Biology class watches, LaRue Werkheiser explains her project.
2. By the principle of moments in balancing levers, Robert Unangst, Paul Werkheiser, and Robert Transue calculate how effort is multiplied in consumer science.
3. While Mr. Kostenbader looks on, the physics students experiment to find the density of air.

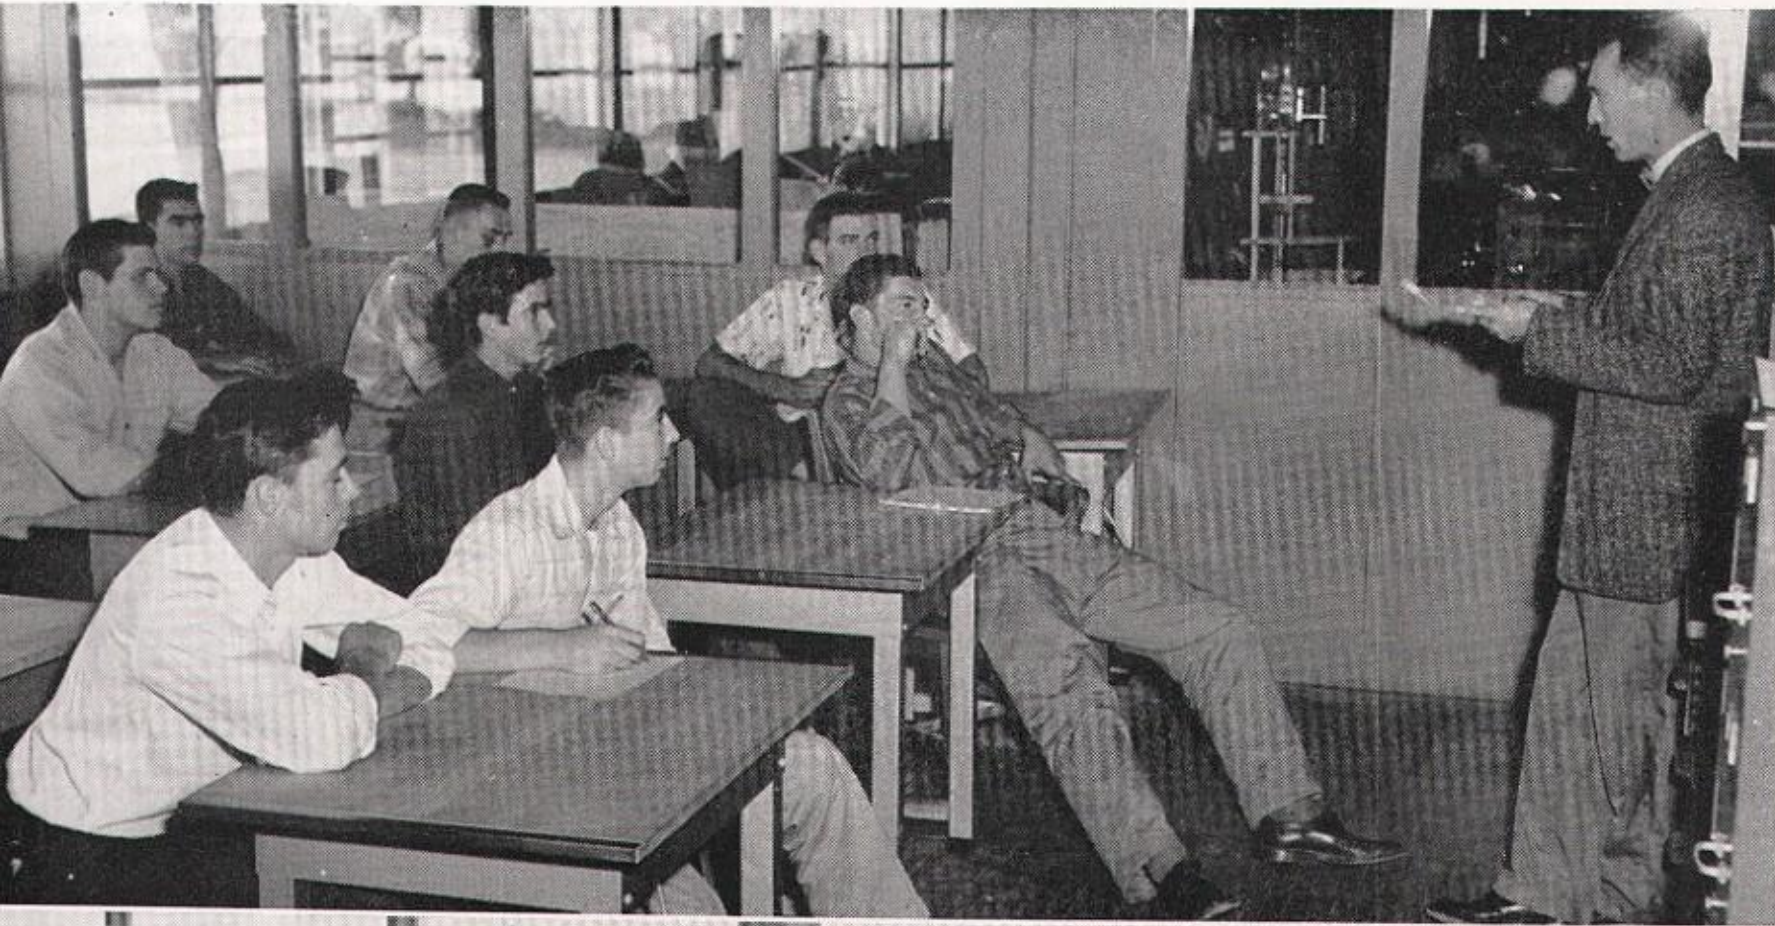

Encourages Future Scientists

1. In Algebra II Judy Byrnes raises a question on the application of the binomial theorem.
2. As Robert Serfass gives the proof and Mr. Shekletski demonstrates, the solid geometry class learns a proposition.
3. Through careful and precise experimentation and calculation, the chemistry students find the molecular weights of oxygen and carbon dioxide.

Practical Arts

1. In addition to the work with tools, shop students are given lectures pertaining to various phases of industrial arts.
2. At the craft table, Miss Clute instructs art students in metal work and enameling.
3. Under the guidance of Miss Clute students draw pencil sketches of scenes around the building.

Develop Talents

The Practical Arts course provides a general training for those students who wish to seek immediate employment in industry.

In addition to the regular courses, electives in Art, Home-making, Shop, and Music are available.

4. As Mr. Brock looks on, Joe Deutsch operates the circular saw.
5. To learn the fundamentals of food preservation, the students prepare fruits for freezing.
6. In canning, Miss Everitt's homemaking students learn a second method of preserving foods.

Plant Stresses Physical Well-Being

1. Under the supervision of Mr. Owens, Driver Education students observe as Gary Schleicher demonstrates the steps in changing a tire.
2. Under the watchful eye of Mr. Leh, members of the boys' gym class demonstrate the hand stand forward roll.
3. While Louise Kline and Pat Toth look on, Wilma Kroboth prepares to return a serve in volleyball.

4. In Health class Carl Krein and Kay Shafer demonstrate the working parts of the inner ear.

Business Training Prepares for Positions

1. Under the supervision of Mrs. Metz, business students review the bookkeeping cycle.
2. Office practice girls learn the use of machines found in various offices.
3. While Mrs. Kolessar observes, first year students practice the fundamentals of typing.

Guidance Channels Student Energy

GUIDANCE

In order to assist students in solving personal, educational, and vocational problems, Mr. Robert B. Reichard, Guidance Counselor, has developed a long-range guidance program.

Through career conferences, personal interviews, and appropriate tests the Guidance Department, assisted by the faculty, helps the students of our high school to evaluate themselves in terms of their interests and abilities.

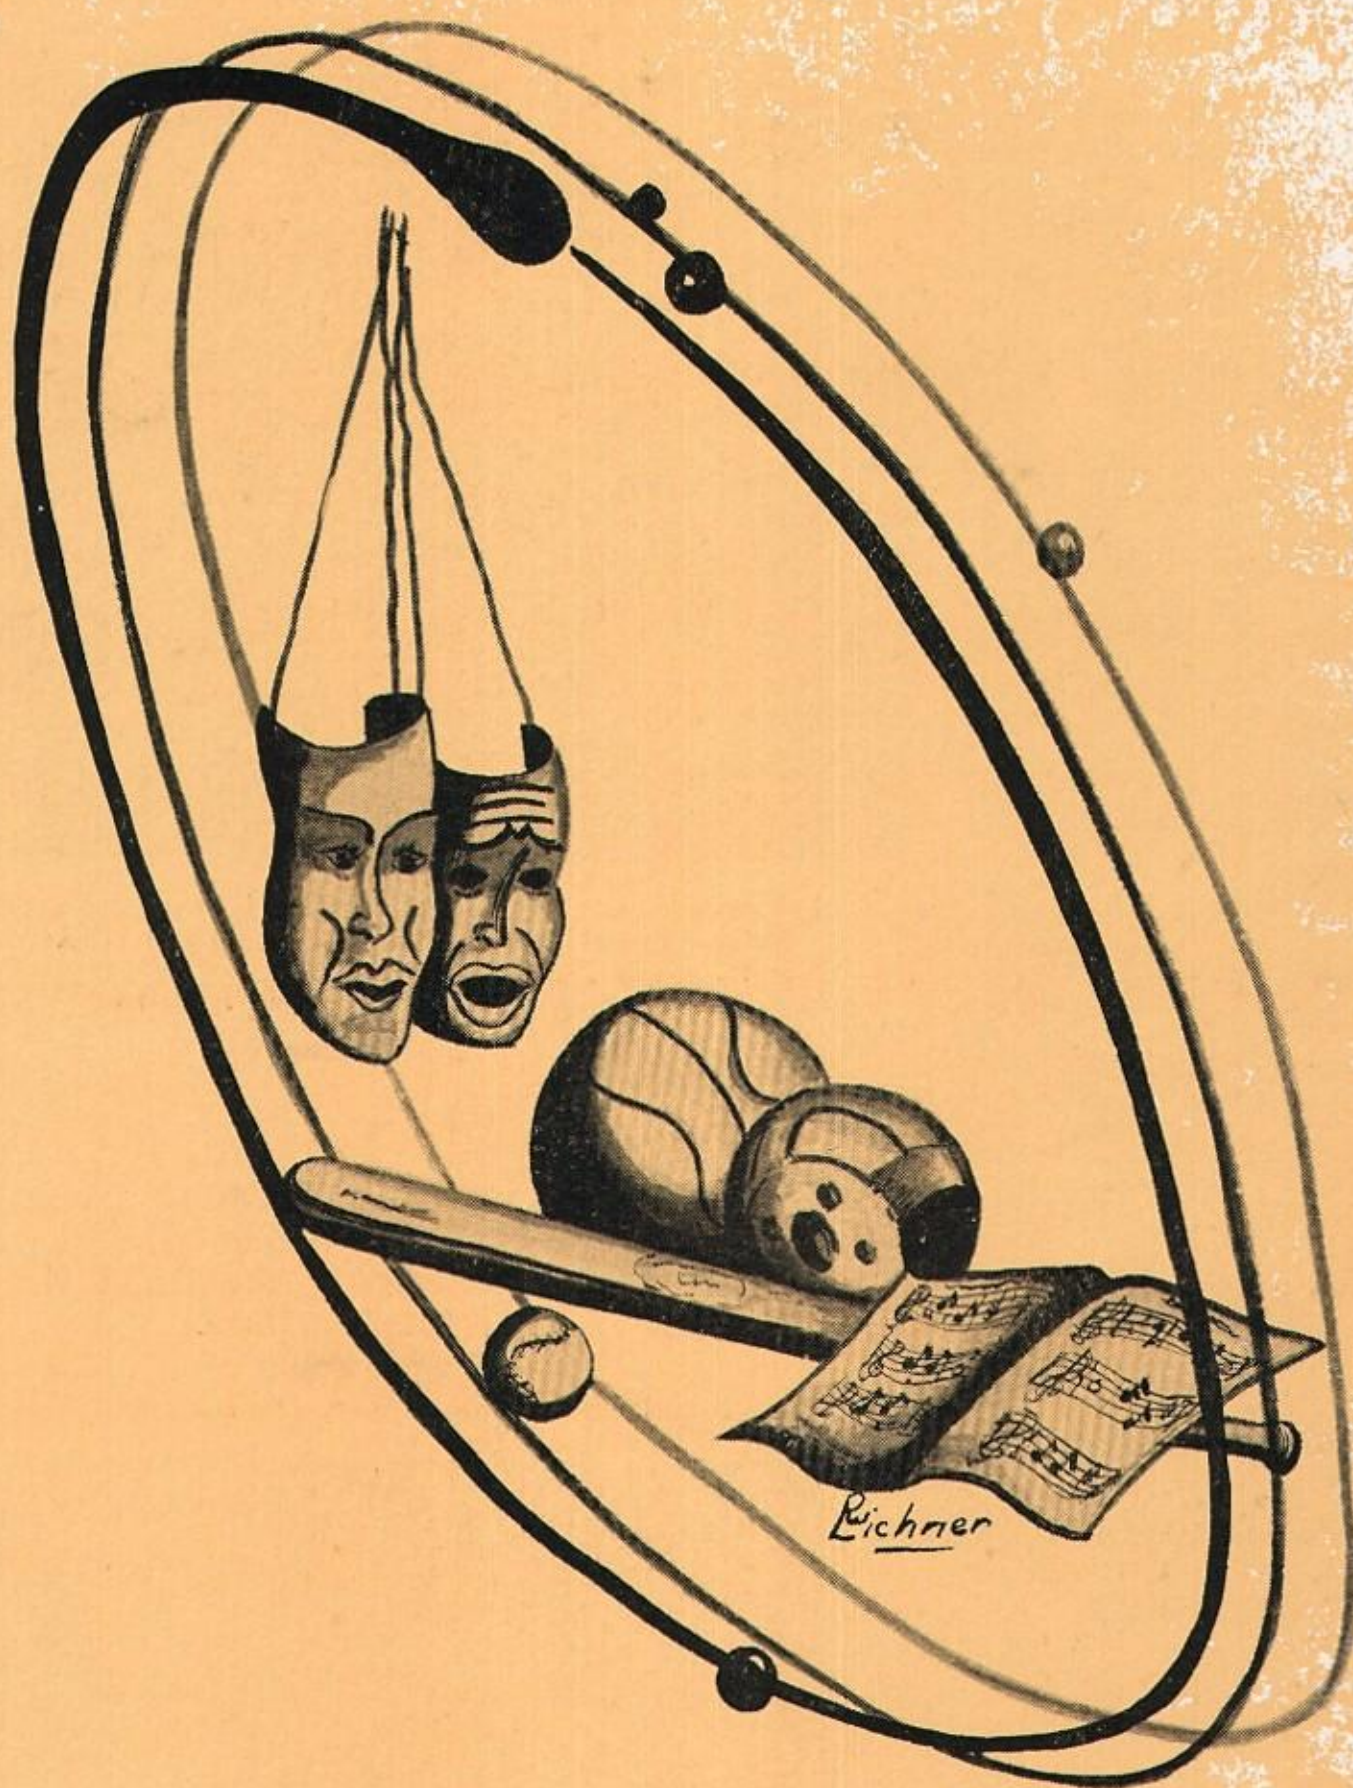

1. At a home economics conference Miss Elizabeth Rothermol of Metropolitan Edison Company explains to the girls the future in home economics.

2. After the engineering conference, the representatives from the Lehigh Valley Engineers Club discuss future occupations with boys interested in Engineering.

3. As part of the program of helping students plan their future, Mr. Reichard explains the Kuder Preference test to Donald Fischl.

4. Participating in the National Merit Scholarships Examination, students labor over the test.

ACTIVITIES

The various activities, clubs, and sports continue the chain reaction set up by the curriculum for the development and release of energy from the Raw Material.

Shocked by the appearance of his living corpse, Anna and Mrs. Bean endeavor to persuade Mr. Cokes to leave the house.

Adam's Evening, a farce in three acts, was presented by the senior class on November 9 and 10 under the direction of Mr. Franklyn Kostenbader.

After a night out with another man's wife, Adam Adams found himself in deep trouble when his wife and mother-in-law unexpectedly returned home.

One entanglement lead to another and Adam found himself caught in his own lies. To make things worse, the maid is a black-mailer; the family doctor is a jealous lover; a dead man is alive; and a suicide maniac turns up.

The resulting complications provided a raft of excitement and the clever lines evoked much audience merriment.

Aiding Mrs. Bean, Gertie and Anna force medication on the unsuspecting Rosita Fragoni.

Dancing around the Eiffel Tower to the music of Parke Frankenfield's Orchestra, the students and guests enjoyed a gay *Evening in Paris* at the Prom on May 4, 1956.

1. Going through the receiving line at the Junior-Senior Prom, Wilma Kroboth and John Mondschein are greeted by Robert Reichard, Junior class adviser.

2. Franklin Whiteman, Marian Knecht, Louise Kline, Joanne Nissley, Robert Serfass (standing) Sylvia Condomitti and Roseann Messenlehner (seated) served as committee chairmen for the grand affair.
3. At intermission guests enjoy homemade punch and dainty sandwiches.

ART STAFF

Published as the Atomic Power Plant's annual report, *The Comet*—Nazareth Area Senior High School's yearbook — presents a pictorial and written record of the events of the school year. Featuring not only activities carried on during plant or school hours, but also extra curricular activities, the Comet clearly outlines the steps in our power production processes.

Directing the atomic plant is the administration, our Atomic Energy Commission. Working under the AEC is the faculty or production crew of the plant.

From six school districts come 436 students whose energy and talent is being channeled and developed thru the school's curriculum to produce some of the country's future scientists, engineers, doctors, and lawyers. Other students prepare for the future by developing skills in manual arts, business, or secretarial courses. Further development comes thru clubs, sports, and other extracurricular activities where students learn co-operation.

Finally the advertisers or stockholders in our Power Plant help finance the yearbook.

The Comet advisers include Elizabeth Sloat, editorial, layout, and typing; Mrs. Belva Kalessar, business; and Jean Clute, art.

In Mr. Christman's first year as varsity coach the Blue Eagles, ending the season with nine wins and one non-league defeat, finished as champions of the Lehigh-Northampton League.

In the first game of the season Nazareth defeated Parkland by a score of 21-16.

In the second game Nazareth suffered its only defeat of the season at the hands of a powerful Nesquehoning team by a score of 31-2.

In Nazareth's encounter with Whitehall, Barry

Woolbert intercepted a pass and intercepted a lateral and turned them both into touchdowns, to lead the Eagles to a 26-7 victory over the Zephers.

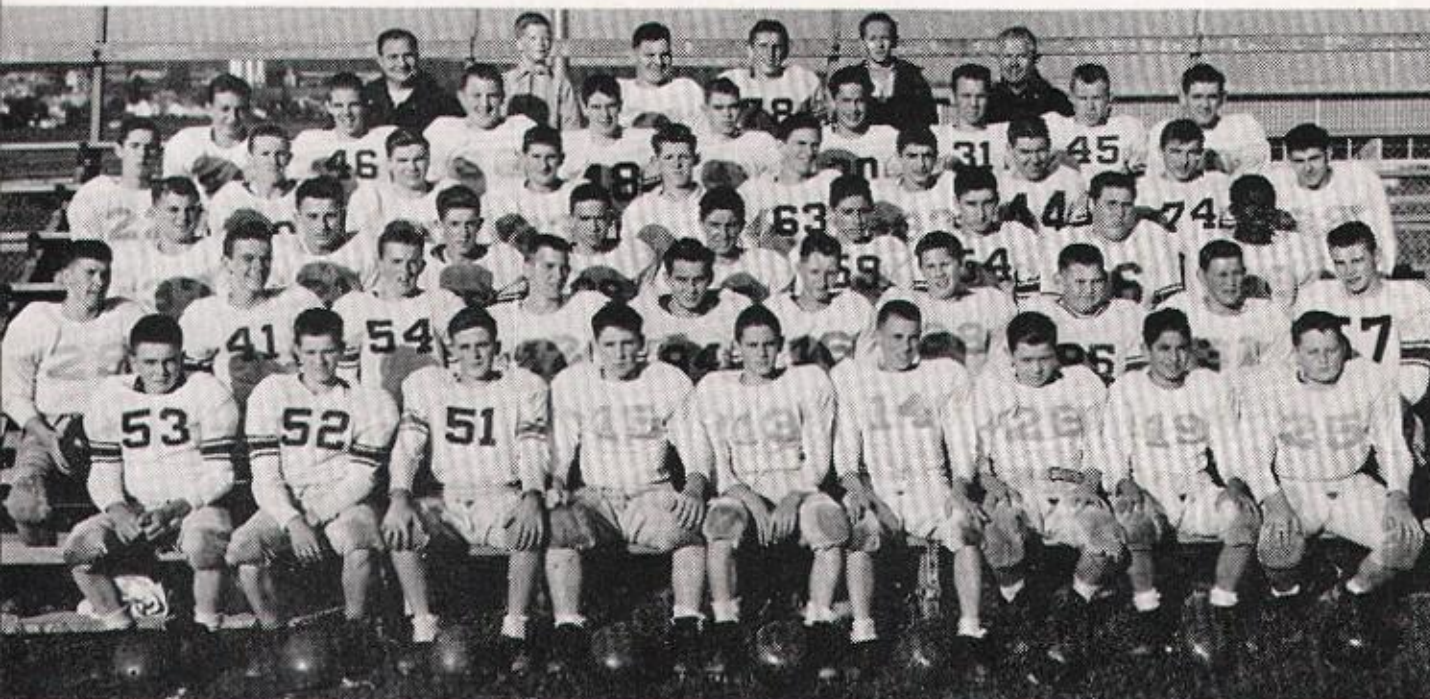

Gaining their vengeance for last year's loss, the Blue Eagles overpowered Minersville by a score of 18-7 in the first night game of the season. Conrad Shimer led the scoring for the Eagles by crossing the goal line twice in quarterback sneaks.

Hitting their mid-season stride, the Blue Eagles stopped the Blue Bombers of Palmerton 34-12.

Nazareth almost completely dominated the playing. Larry Lewis took the scoring honors by carrying the pigskin to paydirt twice. One of his touchdowns was a 62 yard jaunt.

Traveling to Pen Argyl, the Blue Eagles resumed league competition by defeating the Green Wave 20-7. Jack Woodward tallied twice and Larry Lewis once to complete the day's scoring for Nazareth.

Nazareth played host to Bangor in the next league game and trounced the Maroon and White by a 32-13 score. Bob Serfass led the scoring by catching two of Conrad Shimer's three touchdown passes.

Lehigh-Northampton Championship

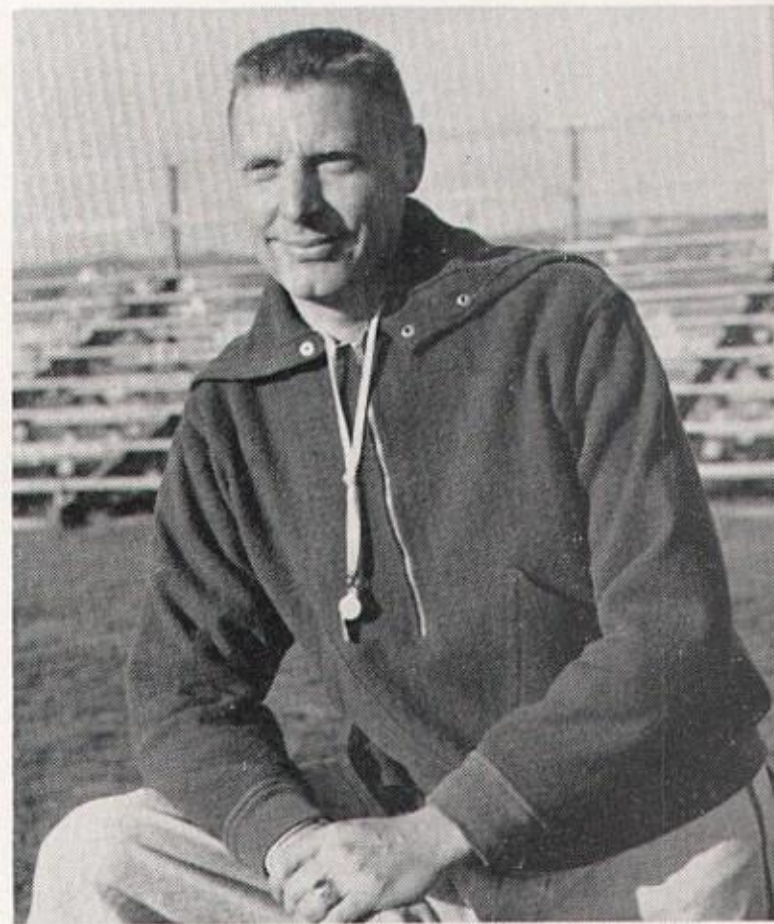

Playing an independent game with Governor Mifflin High School in Municipal Stadium at Reading in the second night game, the Blue Eagles set back the Shillington lads, champions of their league, by a score of 20-14. The key play of the game was the seldom-used tackle eligible pass play with Dick Hunt acting as pass receiver for Conrad Shimer's 4 yard touchdown pass.

Returning to league competition the Eagles squeezed past a stubborn East Stroudsburg squad, 14-6. Shimer scored both Nazareth touchdowns on wide end runs.

Tied for first place with the Wilson Warriors, Nazareth traveled to Cottingham Stadium to try for the Lehigh-Northampton League Championship on Thanksgiving Day. Playing in a sea of mud, the Eagles completely overpowered the Warriors in the first half by driving two touchdowns across the goal line. The first was a one foot quarterback sneak by Conrad Shimer in the first quarter and the second a 62 yard run by Jack Woodward in the second quarter.

Neither team was able to score in the second half and the game ended 13-0 in favor of Nazareth. Wilson's only threat of the game came in the third quarter when the Warriors drove to the Eagles' 14 yard line as a result of a blocked punt.

Ben Guiffre helped the Eagles along during the season by converting 19 out of 29 extra points.

During his first season as Varsity Coach, Mr. Christman produced a championship team.

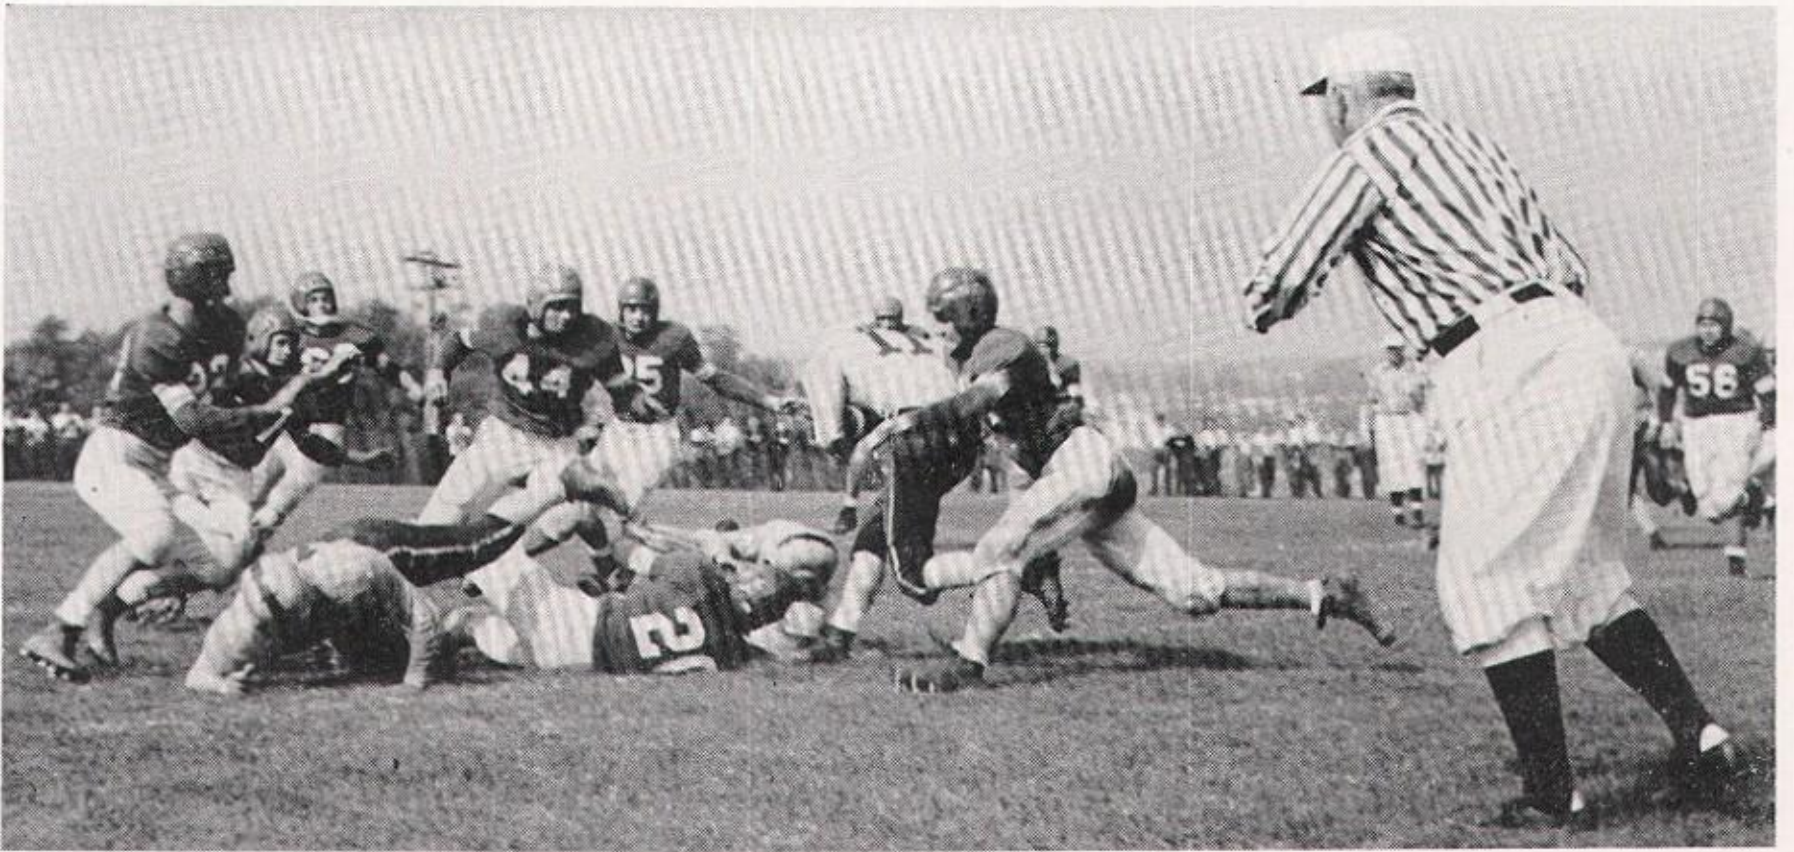

In a post-season meeting Bob Serfass and Franklin Whiteman were elected honorary co-captains for the 1956 season.

Winding up a successful season in second place for the second straight year, the Nazareth cagers finished with an 18-5 record. In League competition Nazareth beat every opponent twice except Fountain Hill, too strong an opponent.

Repeating last year's slow start against non-league opponents, the Blue Eagles began their season by beating a powerful Parkland team which

was favored for the league championship. After suffering their first loss in league competition to Fountain Hill, league champions, the Blue Eagles found themselves enjoying a fourteen game winning streak.

The winning streak continued into the second half play until the Nazareth cagers were defeated once again by the Hillers. During the first half of this game both teams were matched shot for shot, but Fountain Hill showed championship form in the second half by winning a 78-63 decision.

Representing the Lehigh-Northampton League in the District 11, "Class A" playoff, Nazareth was defeated by a powerful Allentown High School 75-57. Midway through the third quarter Nazareth pulled to within two points to make the score 48-46. At this point in the game the crowd sensed a possible upset, but the strong Canaries pulled away to gain a berth in the District 11 Finals.

Blue Eagle Baseball Team

Winning eleven and losing two games, Nazareth Area High School's Baseball Team completed a successful season by taking second place in league competition. Their league record was six wins and two losses.

Starting the season with three consecutive wins in non-league games—Whitehall, Bangor, and Pen Argyl—the Eagles looked as though they were on their way to an unblemished season's record. However, they lost their fourth game to the league champs, Parkland.

At Hellertown, Martin Rothrock tossed a brilliant two-hit shut-out, one of the two two-hitters thrown by Nazareth hurlers during the season.

Bangor became the fifth victim to fall before the Eagles as Nazareth put together numerous rallies to win by a lopsided score.

1. Rothrock and Mengel score on Shimer's two-base hit.
2. Mengel and Shimer combine on a squeeze attempt.

Mengel rounds first after hitting a home run.

Dech makes first on an outfield drive.

Ranks Second in League Competition

As Richard King awaits his turn at bat, Conrad Shimer steals home in the Wilson game.

The pitching of Mengel and Rothrock proved too much for Wilson and East Stroudsburg as they fell before the Eagles by close scores.

The second and last defeat of the season that the Eagles suffered was at the hands of Pen Argyl. Earlier in the season Pen Argyl was beaten by Nazareth. The Eagles scored all their runs in the last frame.

The other two-hit shut-out thrown by Nazareth

hurlers was by Mengel against a strong Coplay team. Both of Coplay's hits were made in the second inning. The final three games of the season were won by Nazareth over Phillipsburg, Palmerton, and Fountain Hill.

Martin Rothrock and Bob Mengel were first and second in pitching and hitting. Rothrock had a 5-0 pitching record and a .421 batting average; Mengel, a 6-2 pitching record and a .405 batting mark.

During the 1956-57 wrestling season Coach Amoroso's matmen got off to a good start with a win over their Phillipsburg opponents and then an easy victory over Southern Lehigh. However, the Nazareth grapplers met their match with powerful teams from Allentown, Bethlehem, Easton, and Northampton and were defeated. In the second half the Nazareth wrestlers were able to defeat only Southern Lehigh, ending the season with a 3-9 record.

At the end of the season Robert Boyer was selected captain by his teammates.

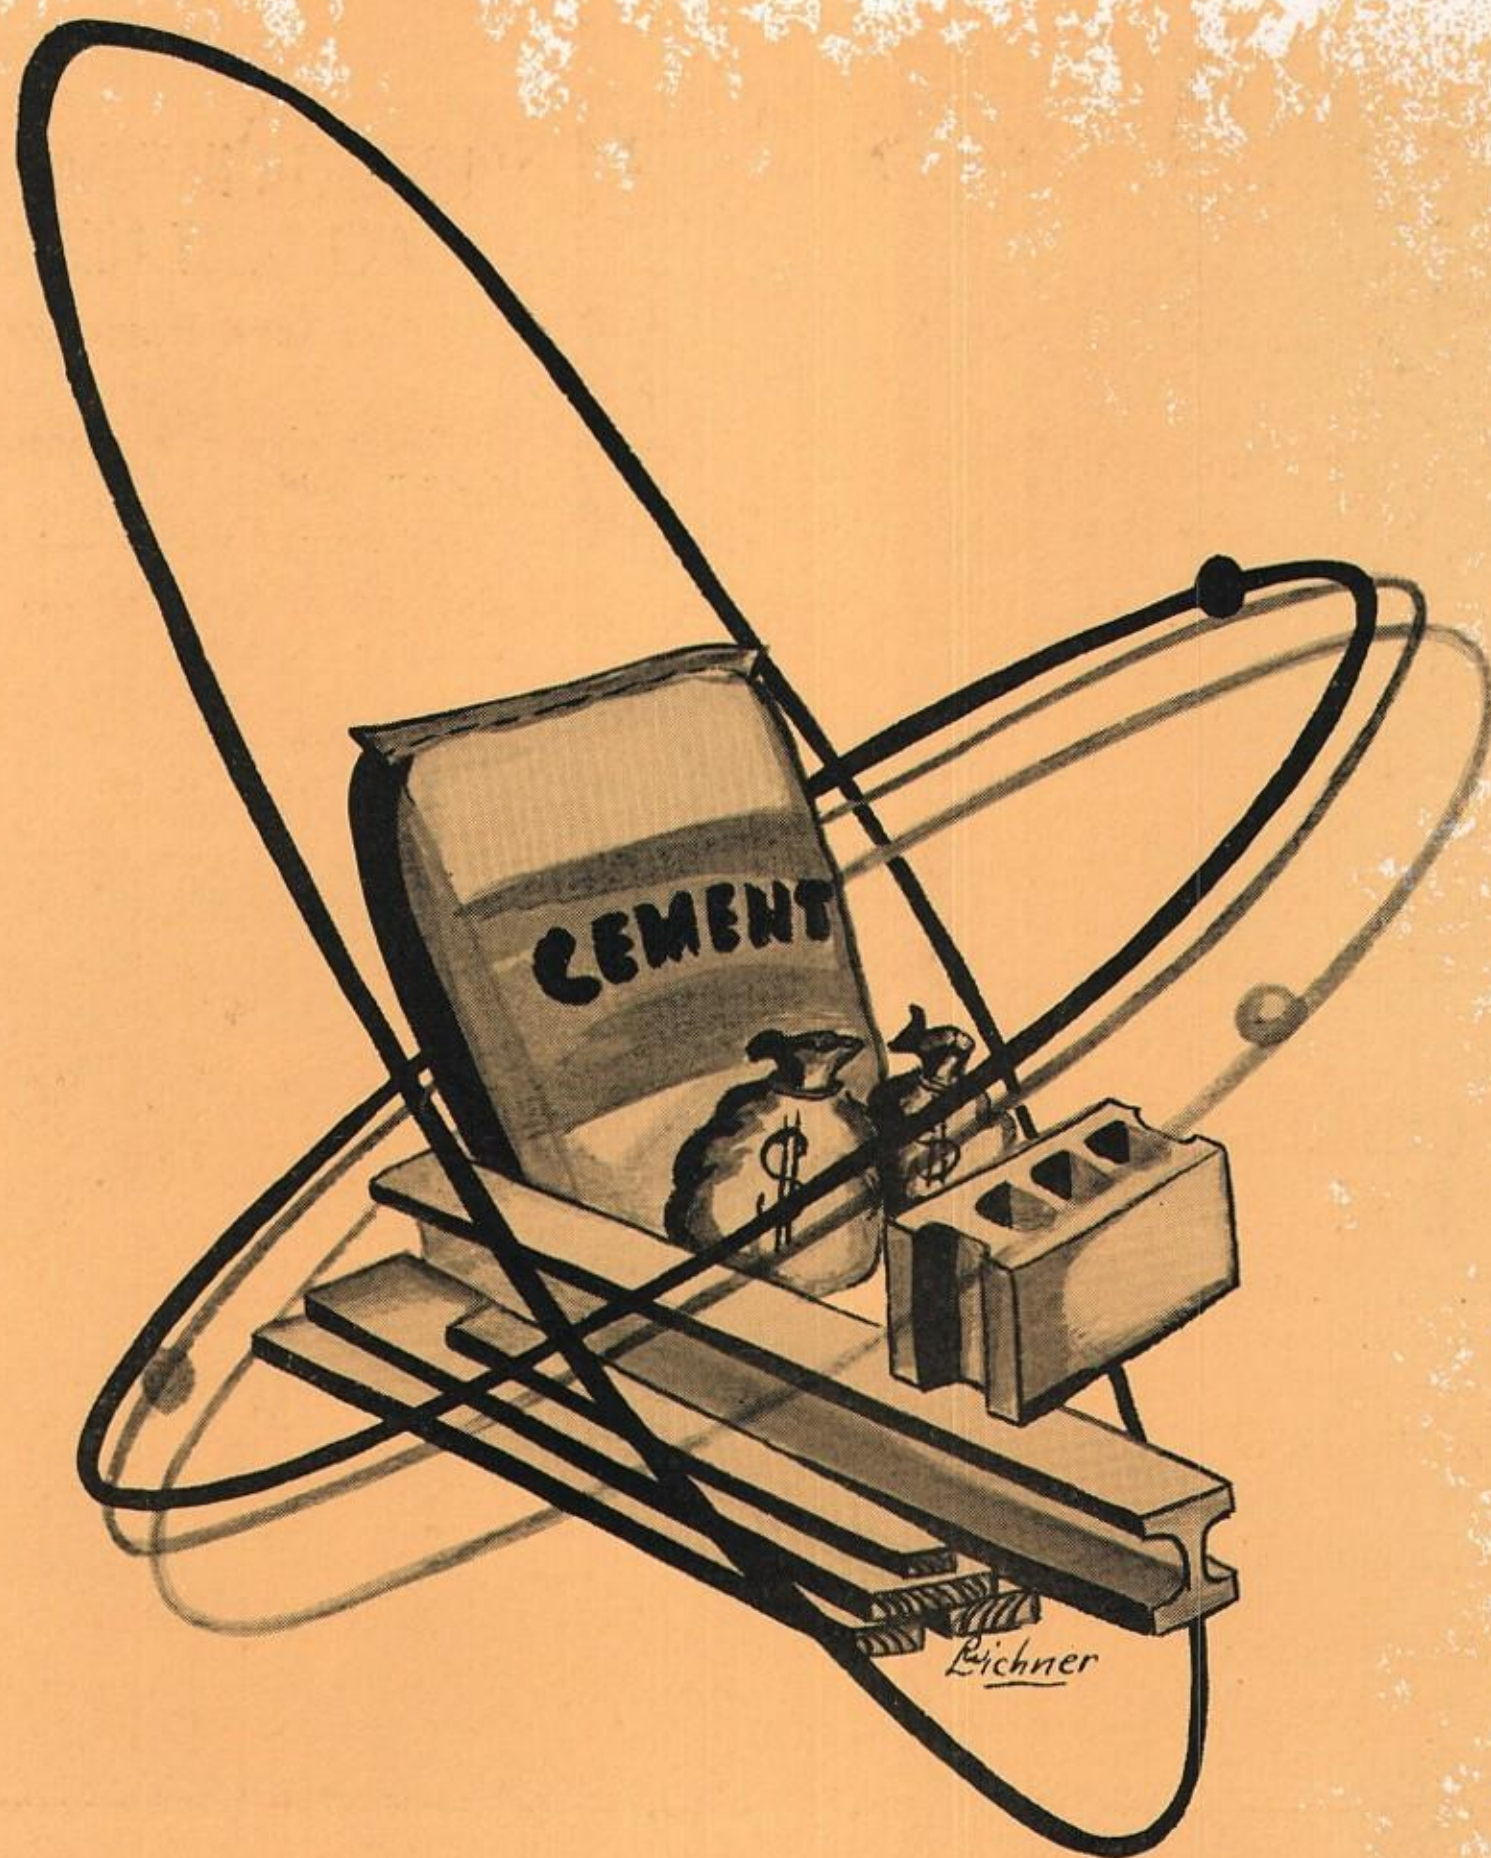

During the District XI Wrestling Championship, held at Allentown on March 8 and 9, Nazareth placed five wrestlers in the semi-final round, winning a total of eight points for the team. Nazareth had no contestants in the finals.

Hopes for a strong wrestling squad next year are bright, for there will be eleven of this year's fifteen varsity lettermen returning.

First Row: Thomas Gabriel, Eric Schramm, Robert Boyer, Dale Boyer, Bernard Molnar, Gerald Eckhart, John Viglione, Michael Topping, Barry Fritchman Second Row: Ralph Engler, Richard Kostenbader, Walter Zurowski, Kenneth Saltern, Melvin Kresge, Larry Connors, Dale Kratz, Carl Smith Third Row: Coach Joseph Amoroso, George Allen, Richard Einfalt, Arnold Einfalt, John Donello, William Scott, Joseph Csernak, Elwood Buss, William Kraemer, George Herceg, Lee Todora
